

Are You Living In A 'Safe & Healthy Home'?

See how your home compares to the Department of Housing & Urban Development's **8 Principles of a Healthy Home** and Rebuilding Together's **25 Safe and Healthy Housing Priorities** by using the checklist on the next two pages.

Circle One

Is Your Home Dry?

- | | | |
|---|-----|----|
| • Is the roof watertight, and there are no leaks? | Yes | No |
| • Does rainwater get directed away from the home? | Yes | No |
| • Are there no plumbing leaks and/or any mold issues? | Yes | No |

Is Your Home Clean?

- | | | |
|---|-----|----|
| • Is your interior paint, wall coverings, and drywall intact? | Yes | No |
| • Are your main rooms and stairs free of tripping hazards? | Yes | No |

Is Your Home Pest-Free?

- | | | |
|--|-----|----|
| • Are there no gaps/cracks/holes on the exterior walls in which bulk moisture or pests can get into your home? | Yes | No |
| • Is your home free of live pest infestations? | Yes | No |

Is Your Home Safe?

- | | | |
|--|-----|----|
| • Can you and your residents safely enter & exit the home? | Yes | No |
| • Is there a working smoke detector on each floor and near each bedroom? | Yes | No |
| • Does your kitchen have a working Class ABC fire extinguisher? | Yes | No |
| • Is the condition of your carpet safe from hazards? | Yes | No |
| • Does anyone who needs bathroom modifications, like a shower bench or toilet seat frame, have them? | Yes | No |
| • Are grab bars accessible and securely fastened, if needed? | Yes | No |
| • There are no known electrical hazards. Do the kitchen and bathrooms have appropriate GFCIs (electrical outlets)? | Yes | No |
| • There are secure handrails on stairs / steps that need them? | Yes | No |

Is Your Home Contaminant-Free?

Circle One

- Is there a working carbon monoxide detector, especially if your home has gas appliances and/or a garage?
- Do the kitchen and all bathrooms have a working exhaust fan that vents outside?

Yes No

Yes No

Is Your Home Well-Ventilated?

- Do the heaters (water and space) exhaust outside?
- Does the clothes dryer vent outside through a metal duct and with appropriate airflow?

Yes No

Yes No

Is Your Home Maintained?

- Is your home's street address visible from the street?
- Do your home's water heater/refrigerator/range work?
- Is there a working sink, toilet, and bathtub/shower?
- Is the lighting appropriate for your daily tasks and for moving about within the home?

Yes No

Yes No

Yes No

Yes No

Is Your Home Thermally-Controlled?

- Do the windows and exterior doors open & close properly, lock securely, and seal well?
- Can the interior temperature be maintained within a comfortable range?

Yes No

Yes No

How Did Your Home Score?
